A Reason for Celebration....

By Jim LeBlanc

There is a reason to celebrate!!

God is doing amazing things in our Church and our capital campaign is in full motion.

During the weekend of November 19th and 20th our services will consist of an event to officially move our capital campaign to the next phase. During these service's you will hear how God is moving at Phillipsburg Alliance Church as we move forward with our Capital Campaign.

We ask that all attendees of our church (member and non-member) make plans (where possible) to attend these services and be part of the excitement.

*This planned weekend event is going to be a historic time in Phillipsburg Alliance Church and you will not want to miss the celebration. Our campaign's Event Committee has been working hard to make the event special. Our chairman Duane Wheeland is preparing a presentation to define expectations specific to phase one and two of the campaign as well as help to define each person's opportunity to partner with PAC as we endeavor to have a **Greater Impact** on the community around us. Pastor Randy will have a special message prepared for this event. A message that God has penetrated his heart with and has been 12 years in the making. In addition, Leadership is united and poised to demonstrate its commitment to our **Greater Impact** Campaign. It is our Prayer that all will be able to attend these important services and be part of this historic event.*

Phillipsburg Alliance Church Vision is to...

Effectively communicate God's grace to all people

FAQ's

Q. When do we anticipate moving to the new Church?

A: First we need to position the church to move forward - including paying down the existing mortgage and having cash available to begin construction. Also, further consideration and analysis of current facilities as an asset and seeking an active buyer at the correct time will need to be in motion before a timeline for moving is determined.

Q. How much do we need to raise and how long do we have to raise the amount?

A: The payoff of the existing mortgage and obligations is about \$830,000. This alone will free as much as \$120,000 per year in payments that can be used towards expanded ministries and some towards facility expansion. The second goal will be to have cash available to begin site work on the property. Our overall base goal for the campaign is \$1,500,000 with a stretch goal of \$2,000,000. The capital campaign will be conducted over a three-year period.

I Chronicles 28-29 provide the biblical example for special giving projects

- **The Vision:** King David announced the vision God had given him for building the temple.
- **His Commitment:** He announced what he was generously committing to give, over and above his regular giving, toward this Kingdom project.
- **The Invitation:** He invited his leaders and all people to consecrate themselves and give as well.
- **The Commitment of all:** Following David's example, they gave willingly and generously toward the temple project.

29:14- "But who am I, and who are my people, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand."
